

How to make Biodynamics Work Better

Kentucky

Table of Contents

Day 1

Lecture 1 - *Nume/Name. New alliance with nature. 3 phases of Steiner's work. Dialogues with plants.*

Lecture 2 - *Cultural epochs. Time and Space. Occult Science. Square of elements. 7 steps of evolution in Time. Preparations. 502, 503, 506.* **Page 5**

Lecture 3 - *Dandelion. I and II action of planets. 504 and 505. Planets and organs. Oak bark. Use of preps as remedies. 3 processes. Lemniscate. Mythos, lemma, and rema. Goethe and 3 expansions and 3 contractions. Dimensions. 1 + 3. Silica, calcium, clay. Flow of Sun and Moon forces. Etheric geography. Depth to bury preps. Soil in which to bury preps. Depth to bury preps. Silica stones in vineyards. Knowledge, perception, concept. Shape of horns. Equisetum. Left and right.* **Page 13**

Spiritual Talk - *The etheric cycles due to the manifestation of Christ. The Logos. Etheric ring of the earth. True, Good and Right. Spiritual communities. Work with angels. Work for community. Earth evolution. Higher consciousness. DNA. Meditation and prayer.* **Page 25**

Day 2

Lecture 1 - *Horn forms. Kinds of light. 3 kinds of plant nutrition. Cosmic law of economy. DNA. Secret name of cactus. Photosynthesis. Depth to bury preparations. Clockwise/anti-clockwise. How to bury 500. Make preparations stronger. Soils for 500 and 501. Preservation of preps. Shapes of boxes. Storage in light. Hours of the day. Orientation of the compost heap. Dynamisation. Wood for stirring vats.* **Page 31**

Lecture 2 - *Mathematical ratios. Golden means. Vats for 500 and 501. Strengthen preps with grape juice. Stirring with our hands. Quantity of preparations needed for stirring. Grape juice to increase efficacy. Use preps are inoculants for stronger preps. The cosmic uterus. The secret name of animals. How to spray large areas. Cosmic diffuser.* **Page 41**

Lecture 3 - *Increasing the efficacy of preparations with our consciousness. Trinity of trinities. Expression of Holy Spirit. Entering the field to increase bios. Lemniscate. More dynamising methods. Geographic double.* **Page 49**

Lecture 4 - *Square of elements. Thieves of the ethers. Opening our minds and our hearts. Ratio to mitigate vacuum forces. Making preparations for immediate use. Dynamise the flowers. Prologue of John. Maria Thun. Importance of place. Wind and astral body. Time to spray after dynamising. Peat. Radionics. Potency of homeopathy. Dynamise in space and time. Earth and Sun movement. Silica product for light.* **Page 57**

Spiritual Talk - *How to express gratitude. Operating love. Hear and lung and the residence of Lucifer and Ahriman. How to educate the heart. The three brains. Heart chakra. Six petals and how to develop them.* **Page 67**

Day 3

Lecture 1 - *Milk and honey. Vacuum sealing food. Ecological is not always healthy. The process of plants dying and reforming. Plants from seeds or cuttings. Seed baths. Connecting to the Milky Way. Virgil. Combining preparations. Raising the minerality in the soil throughout the year. How to preserve things. The Zodiac and Milky Way. The 4 deserts. Man corresponds to the zodiac. The Milky Way in the man. Research with wild plants. Pollution and de-pollution. Nosodes. Heirloom varieties. Adapting quality and quantity. The star gate.* **Page 73**

Lecture 2 - *Making food in resonance with the cosmos. Harmoniser/Purifier Prep. Humid & Dry Way. Effects of Harmoniser/Purifier. Gas spirals. Homeopathy for plants, animals & humans.* **Page 83**

Slides - *Eureka Eco Village.* **Page 91**

Lecture 4 - *How to make compost better. C:N ratio. Philosopher's Stone. Transmutation. Improving cow pat pit/barrel compost. Vats for individual prep stirring. Compost preps in the heap. Christianising compost heaps. How to measure etheric forces. How to Christianise the bread and grape juice. Rhythm of saying John's Prologue. Greek and Latin translations.* **Page 97**

Spiritual Talk - *Why is God referred to as male. The relationship between Sophia and the Christ. Nosode for Roundup. Christ's connection to the elemental beings.* **Page 107**

Day 4

Lecture 1 - *"After lunch." Use of preparations in a different way. Spray to double the hay crop. Use of machines. Living and dead time. Space and Time. Mysteries of Space and Time. Create a vortex in time. Form of greenhouse. Nettle and echinacea and thyme in greenhouses. Cold resistance with Valerian spray and seed bath.* **Page 113**

Lecture 2 - *Drought resistance seed bath. 501 for sunless days. Preparation triangles. Daily and nightly sun. How is humus formed? Plants to produce humus. Parts of the plant to harvest seeds. Spraying plants not grown from seed. Tree prep. Companion trees. Mars trees to give strength. Bushes to rebound the action of our preps. Pond for drought. Hedges around the pond to increase the water forces.* **Page 123**

Lecture 3 - Slides. *Machines. Sensitive Crystallisation. The moral ether.* **Page 133**

Lecture 4 - *Indications for drought. Associating trees. Ratios in a farm organism. Seven kinds of nitrogen. Seven kinds of birds.* **Page 149**

Spiritual Talk - *Nitrogen and The Mother. Anastasia. Period from 15 January to 15 February. The Bodhisattvas. First Class.* **Page 157**

Zodiac Map Interpretation **Page 163**

Day 5

Lecture 1 - *Dynamise using bottles. The ratio of the water to bottle for America. The rhythm of dynamiting. How to use compost. The compost clock. Vegetable vs. animal compost. The*

agricultural organism. Ants. Radiating forces of rivers. Ratios of radiation of the farm organism. Use of digitalis and castor beans. The pond in the farm organism. Honey used with 501. Hexagon and triangle. Bees in the organism. **Page 165**

Lecture 2 - *Spraying large or small drops. Lime in the compost. Water. Greek temple water. Angle between H and O. Vitalising water. Salt water. Stimulating N. Si transmutes to Ca. Osteoporosis. Consonants behind the constellations. Weak chicken egg shells. Anaemia.* **Page 175**

Lecture 3 - *Pests. Logic of good and evil. The hierarchies. Ahrimanic, Luciferic, and Asuric insects. Ashes. Macerations. Spraying of macerations. Potentising macerations.* **Page 183**

Lecture 4 - *Insects. Harmony in trees. Fungus and virus. Problematic fauna. Bright and dark aspects. Horn clay. Dosage of horn clay (508 up and 508 down).* **Page 191**

Spiritual Talk - *Colour. Music and its effect on plants. Education. Moral ether.* **Page 199**
